Atea catalogue 1925	ATM Mine Telephones and Signalling Apparatus Catalogue 1928

 A black and white photograph of the ATEA LD320 mine telephone. It is a tall, rectangular unit with a handset on the left side, connected by a coiled cord. The main body of the phone has two large, circular earpieces at the top. The background is a light yellow color.		 A black and white photograph of the ATM T1122 mine telephone. It is a smaller, more compact unit with a handset on the left side, connected by a coiled cord. The main body of the phone has two large, circular earpieces at the top. The background is a light grey color.
